Dear Parent/Carer

Coronavirus (COVID-19)

As you will be aware, the situation regarding the Coronavirus is changing daily, as is the advice being provided by Public Health England. In addition to the previously identified areas of concern, Northern Italy has become an area where the virus is spreading. As this is a regular destination for UK tourists, I would like to share the most recent guidance. Please note that the Government's guidance may change over the next few days.

If you have returned from these specific areas since 19th February 2020, you should call NHS 111 and stay indoors and avoid contact with other people even if you do not have symptoms:

- Iran
- Specific lockdown areas in the Lombardy and Veneto regions of Northern Italy as designated by the Government of Italy
- Daegu or Cheongdo in South Korea
- Hubei province (returned in the last 14 days)

If you have returned from these areas since 19th February 2020 and develop symptoms, however mild, you should stay indoors at home and avoid contact with other people immediately and call NHS 111:

- Northern Italy (defined as North of Pisa but not including Pisa, Florence and Rimini)
- Vietnam
- Cambodia
- Laos
- Myanmar

If you have a cough, or fever or shortness of breath and have visited any of the following areas in the last 14 days:

China, Thailand, Japan, Republic of Korea, Hong Kong, Taiwan, Singapore, Malaysia and Macau. Stay indoors and call NHS 111 informing them of your recent travel to the city.

Should you have any concerns please contact NHS 111 immediately.

Yours sincerely

Vina Pankhania
