Dear Parent/Carer

End of Year 6

Wow! Can you believe that we have reached the end of the academic year already? In fact, I'm sure you can't quite believe that the time has come for your child to finish their primary school education with us here at Little Hill. Finishing primary school is often a special and significant time for any child and it is so unfortunate the way this pandemic has impacted upon this. However, pandemic aside, each and every one of your children has achieved so much whilst here with us at Little Hill and that must never be forgotten. I know that the teachers have prepared a few little gifts for the children and will contact you again (hopefully next academic year) to arrange a final disco!

You will be receiving a pack next week in which the Year 6 teachers will provide the following items:

- Your child's end-of-year School Report.
- Your child's end-of-year Data Report. This will show your child's attainment, through the teachers' assessments, across the core subjects of Reading, Writing, Maths, Grammar and Science alongside their 'behaviours for learning'. These have been provided in place of the SATs scores and will also have gone to your child's secondary school.
- A DVD of memories. This is a collection of photographs and videos that have been archived on our school system. Pop it in your DVD player, sit back and enjoy!
- A Bitmoji class photograph. Normally, at the end of the school year, we would provide you with a Year 6 class photograph; unfortunately, this was not possible. So, here is the next best thing – a cartoon version of your class photograph.
- A key ring. A little something you can attach to your secondary school bag to remember where it all started.

If your child has been educated in school this week, then they would have had the opportunity to go home with their leavers' jumpers and any of their work/belongings from their classroom. Unfortunately, due to the localised lockdown, we are unable to invite you in to school to collect any further items. However, for those who have been learning from home, we will deliver their work/belongings to your home address during next week.

We look forward to hearing how your children are progressing in the forthcoming months and, on behalf of myself and the staff, may I take this opportunity to thank you for your support. We wish you all the very best for the future.

Yours sincerely

Mrs Pankhania
Headteacher
