LETTER NO 13

6th November 2020

Dear Parent/Carer

Birthday Celebrations in School

A wonderful idea has been brought to our attention from another school and it is something that we'd like to do this year at Little Hill.

As a result of current Covid-19 restrictions, many children are missing out on celebrating their birthdays with family and friends as they usually would with parties or gatherings. We understand that our children have already had so many changes and have had to adapt to new rules and regulations both at home and school; your child's emotional wellbeing remains, as ever, incredibly important to us.

Therefore, we would like to give them the opportunity to celebrate their birthdays in school with their class friends. During the last week of every month, your child's class teacher will select a time to hold a birthday celebration. This will be to celebrate any child's birthday from that month. If your child has already had their birthday during September or October, then we will be celebrating their birthdays with the November children.

All children will eat their school meal or packed lunch and wear their school uniform as normal. We will provide a party atmosphere: music, games and a little cake treat for each birthday child! Please do not send anything in from home. If you would rather your child not take part in any of these birthday celebrations, then please do let your child's class teacher know.

We really look forward to celebrating your child's birthday with them!

Kind regards

Mr S. Williams
Acting Deputy Headteacher
