20th November 2020

Dear Parent/Carer

## Year 3 – Sessions on Personal Safety

As part of the School's Science, PSHE and RSE programmes of study, your child is due to receive lessons on Personal Safety. These lessons build upon previously learnt knowledge in Year 2.

Nowadays, there is a vast amount of information about relationships, safety and choices on the internet, TV and in magazines which young people often have access to. If young people have good information, confidence and knowledge to understand personal safety, they will hopefully grow into confident and healthy adults who are able to keep themselves safe. This can start with furthering their knowledge at school and these sessions may reinforce what you are already doing at home.

We will begin teaching lessons on

- Identifying Body Parts (using scientific names)
- Yes and No touches
- Good / Bad secrets
- Assertiveness
- Safety Rules
- Using our senses

As with all areas of the curriculum, teachers aim to answer children's questions in a frank and honest manner and are best placed to decide at what level any discussion should be aimed for the class as a whole, small groups or the individual. In each of our sessions, we expect all children to follow these rules.

- It is OK to have fun and laugh;
- Not OK to laugh at anyone else.
- It is OK to have discussions;
- Not OK to talk about what happens at home.
- It is OK to ask questions;
- Not OK to ask each other or staff personal questions.
- It is OK to talk to an adult at home about what you have been learning;
- Not OK to share learning with younger children.

Please feel free to contact us to discuss any concerns or queries.

Kind regards,

E Tangen
