LETTER NO 5

Assessment Information

Dear Parent/Carer,

It really is incredibly important to us that we keep you as up-to-date as possible with how your child is progressing at school: both academically and in terms of their social/emotional wellbeing and general development. Currently, we do this in a number of ways:

- Class Dojo;
- Parents' Evenings;
- End-of-term Data Snap Shots;
- End-of-year Report;
- And...any conversation you have with a member of staff at our school!

This year, we would like to send home some more information that you will hopefully find useful; not only in knowing how your child is doing in school, but also with how you could be helping them at home too.

To begin with, we will be sending a copy of the children's independent mini mathematics assessments home – following a unit, children sit a small assessment which only asks them content that they've already covered in class. Units of learning can last anywhere between 1 and 4 weeks long. Once you've received one, if you'd like further clarity on how you can help your child at home, please do feel free to speak to your child's class teacher. I really hope you'll find this information useful – please look out for them.

Yours faithfully,

Sam Williams

Deputy Headteacher
