LETTER NO 6

8th October 2021

Dear Parent/Carer

Halloween Celebration – Monday 1st November, 2021

It's that time of the year when Halloween costumes can be seen on supermarket shelves alongside mince pies and the odd Christmas advert on television – time flies!

It's hard to say at this point whether 'Trick and Treating' will be happening this year so I urge you to keep yourselves safe and follow the most up-to-date local rules and guidance at the time.

This year, Halloween falls on a Sunday. So, during the following day (Monday 1st November), children and staff have the option of coming to school dressed in a Halloween costume. If this coincides with your child's PE day, then please make sure their costume is suitable, or feel free to send them with a change of clothes.

We ask that children **do not** bring in any **handheld or loose costume accessories**. These can easily be lost

and can become dangerous. We would also ask you are very mindful of the costume you allow your child to wear and it should be appropriate for all of our children to see - including our 4 year olds. If it is felt it is inappropriate, they will be asked to remove an item or a phone call home will be made (school leaders will have the right to determine this). We are aware that special costumes can be costly and we would urge you not to go to any additional expense. Dark colours could be worn or simple costumes made. Of course, please remember that this is optional.

Children must have sensible footwear and be warm enough to spend their lunchtime outside in the costume they are wearing.

Yours sincerely

Sam Williams
Deputy Headteacher
