Dear Parent/Carer

EXTRA CURRICULAR CLUBS – SPRING TERM 2022

We are gradually introducing after school clubs for this academic year. Please see overleaf details of two clubs that are available this term. If you would like your child to participate in either of the clubs, please complete the form attached to this letter and return it to school by **Wednesday 23rd February**.

All after school clubs incur a charge, in order to pay for provision and staffing. I am sure you will agree that the charges are competitive prices for after school provision. Please send the appropriate amount in a sealed envelope, clearly marked with your child's name, class and club details.

Once your child has joined a club we will expect them to attend on a regular basis; they will not be able to change to another club once it has started. There will be no refunds given should your child not wish to continue in their chosen club.

ARRANGEMENTS FOR AFTER SCHOOL CLUBS

Please note that it will not be possible for children to stay for after school clubs unless we have received payment and your written permission for them to do so. You will also need to confirm that you have made appropriate arrangements for your child to be collected when the club has ended – **NB a crossing guide will not be on duty at this time**. Should staff need to cancel a club for any reason we will notify you by text so that appropriate supervision arrangements can be made. Please indicate on the form attached if this is not convenient. Thank you.

OTHER CLUBS

Metcalf Multisports are running our sports clubs - letters will be sent out separately for these. As they are an external company, please contact them directly with any queries. Thank you.

SAFETY NOTICE

Children who are asthmatic will need to take responsibility for their own inhalers whilst participating in any of the clubs mentioned above and all inhalers need to be marked with your child's name. If there is any problem about this please contact me before your child joins a club. It will also be appreciated if you would bring any specific medical matters to the attention of club leaders whenever you consider this to be appropriate.

Yours sincerely

Vina Pankhania

Judo

Judo is for all ages; Great Cardiovascular workout, requires all aspects of Fitness - Strength, Flexibility, Speed and Agility. It improves co-ordination and improves reaction times which is ideal for any young person and we look to train children as young as 4 to improve motor skills and teach discipline. Every participant will also benefit from the following

FITNESS: Judo training can be an intense workout, even though you don't rely purely on strength, it takes a significant amount of energy to continuously throw an opponent or even avoid an opponent's attempt to throw you! There is no fitness like MAT fitness.

STRENGTH: Will increase due to the nature of the additional lifting or manoeuvring of an opponent and taking their weight or once again fending off an opponent's attack.

FLEXIBILITY: Will increase with the different positions you will find your body in and emphasis on stretching and certain exercises.

SPEED AND AGILITY: Judo will improve reaction times and reflexes, this will improve the speed which you see openings for throws and move your body into position to execute them.

When: Friday 4th March to Friday 8th April.

Time: 3.30 – 4.30 p.m.

Place: Large Hall

Cost: £9.00 (Pupil Premium £4.50)
