Dear Parent/Carer

We are very pleased to be offering the children of Little Hill the chance to join an after school gymnastics club through the services of Rob Payne, a former International gymnast for Great Britain. Wow! Rob delivered an inspiring and breath taking assembly to the KS2 children today where he not only shared his success stories whilst competing for Great Britain, but also demonstrated a selection of skills that the children thoroughly enjoyed. Rob also told us of his recent appearances on BBC and ITV shows such as Tumble, Blue Peter and Britains Got Talent with the group 4G. Now teaching fun and inclusive gymnastic classes to children in schools throughout Leicestershire, we are very excited for this club to begin after the summer break.

We highly recognise and appreciate the benefits that gymnastics involvement can bring children and we anticipate the club to be very popular following Rob's assembly. There are only 20 spaces available and they will be offered on a first come first serve basis. Rob will use his coaching and competitive experience to make the club sessions inclusive and challenging for all ability levels making the club available to all children irrespective of past involvement in the sport.

The club will run on Wednesday afternoons from 3.30 p.m. – 4.30 p.m. in the large hall for pupils in years 3-6 and will commence on **Wednesday September 7th 2022** and run for 14 weeks with the last session being on December 14th.

The school will be using some sports funding money and will be paying for half of the sessions in the Autumn term. The cost to parents will be £32 for this club which is paid direct to Rob for his services. The cost for Pupil Premium children will be £16.00.

If your child is interested in taking part in this extra curricular club you need to email Rob directly with your expression of interest stating your child's name, age and class teacher. Spaces are limited so children will be allocated a space on a first come first serve basis. If your child successfully secures a space, Rob will email you with payment instructions.

We are excited to get this new service up and running in September.

Yours sincerely
