LETTER NO 2

25TH August 2022

Dear Parent/Carer

LAUNCH OF NEW PARENT PORTAL

Thank you for your patience during last term as we have transitioned to a new Pupil database within school. I am pleased to inform you that we are now ready to roll out the next stage of the process, and invite you to sign up with My Child At School (MCAS) – our new Parent Portal. This is available via Web Browser (www.mychildatschool.com) and App (search for MyChildAtSchool in your usual app store – the App developer is Bromcom)

Schoolcomms/School Gateway will ONLY work for the following:

Year 6 Norfolk Residential payments until 30.09.22

Year 4 Conover Residential payments until 30.09.22

MCAS will be needed to make online payments for School Meals, Activity Clubs, and Trips effective immediately. Payments can be made online, or for those who prefer not to use online payment services you will have the option to pay via PayPoint at no extra cost.

As an added benefit, MCAS allows you to view some of the personal data that we hold about you (as a contact) and your child, and you will also be able to send through amendments to some of that information, such as to inform us of a change of phone number and/or address. Any change requests will be reviewed by our office staff before they are accepted into the system.

MCAS is also a communication tool, which we intend to use to send out notifications, messages and announcements.

Provided we have an email address for you on our system **and** you are a first or second priority contact with parental responsibility for a child at the school, you will shortly receive an email containing an invitation code so that you can access and activate your account. If you do not receive an invitation code **by Friday 2nd September** and believe you should, please contact the school office to provide/confirm your email address: We are particularly aware that we do not hold email addresses for a considerable number of second priority contacts.

If you have more than one child at the school then you should be able to view details and make purchases (e.g. dinners, trips, etc) for all of your children from a single login. If you find this is not the case then please contact the office and we will check that the sibling links have been correctly activated.

Dinner Money

During the summer holidays we have been updating dinner balances based on payments that have been received since late March. You should be able to monitor your child's dinner balance now in real time.

On the following pages you will find some brief guidance notes to help you to get started. A comprehensive Parent Guide will be made available in due course, but we hope that you will find the portal intuitive and easy to use, whether you choose to access it via web browser or app.

Please contact the school office if you have any queries with regard to MCAS.

Yours sincerely

Vina Pankhania
Headteacher
