Dear Parent/Carer

12th September 2022

We are very excited to announce that we have a whole host of clubs being organised for all children across the school. Very soon there will be another letter informing you of many more sporting clubs, including girl's football, tag rugby, cricket, multi skills, dodgeball and more. For now, please read the following information carefully and sign up through the office as instructed.

Tennis Club – Wednesdays 3.30 – 4.30 p.m.

Exciting news! George Bull (who delivered some fantastic tennis workshops for us in the Spring term) will be coaching tennis for us. This club is open to all ages throughout the year as follows:-

Autumn term – Years 2, 3 and 4

Spring term – Years 5 and 6

Summer term – Year 1 and EYFS

George is an LTA Level 3 Accredited Coach, with a degree in Sports Coaching and a broad range of experience across a wide range of settings including schools, clubs and universities. He loves working with players of all ages and abilities, creating a fun learning environment to encourage the development of new skills and, hopefully, a love of tennis.

As stated above, the first pupils to benefit from this after school tennis club will be those in Years 2, 3 & 4 and we are taking bookings now! There will be a total of 12 sessions during the Autumn term starting on **Wednesday 21st September**. The cost for the course will be £2.50 a session – £1.25 for Pupil Premium children. We are expecting the club to be very popular, so please, don't delay in signing up.

KS2 Boys' Football club 3.30 – 4.30 p.m.

Monday for Years 3 and 4 – starting on 26th September

Tuesday for Years 5 and 6 – starting on 20th September

We have secured 3 coaches from the Fox Soccer Academy team to coach our boys' football club with our very own Miss Morris. The coaches have years of experience in coaching and developing high quality football skills. From this, we are hoping to have a Little Hill Football team! This is a really exciting opportunity and we are privileged to have secured such high quality coaches. Each session will be £4.00 - £2.00 for Pupil Premium children.

If you would like your child/children to take part in a club, please submit payment through the MCAS (My Child At School) app or send cash or cheque to the school office. Thank you.

Judo is for all ages; Great Cardiovascular workout, requires all aspects of Fitness - Strength, Flexibility, Speed and Agility. It improves co-ordination and improves reaction times which is ideal for any young person and we look to train children as young as 4 to improve motor skills and teach discipline. Every participant will also benefit from the following:

FITNESS: Judo training can be an intense workout, even though you don't rely purely on strength, it takes a significant amount of energy to continuously throw an opponent or even avoid an opponent's attempt to throw you! There is no fitness like MAT fitness.

STRENGTH: Will increase due to the nature of the additional lifting or manoeuvring of an opponent and taking their weight or once again fending off an opponent's attack.

FLEXIBILITY: Will increase with the different positions you will find your body in and emphasis on stretching and certain exercises.

SPEED AND AGILITY: Judo will improve reaction times and reflexes, this will improve the speed which you see openings for throws and move your body into position to execute them.
