

Little Hill Primary School

Years 1-2 (KS1)
Tuesday After School

Years 3-6 (KS2)
Monday After School

Welcome to Aveea Academy, a place for all of our future leaders to ignite their curiosity and explore the world in **Science, Technology, Engineering and Mathematics.**

Some of the things we are doing this Summer term?

Scientific Explosions

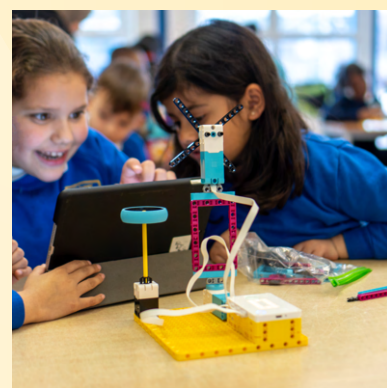

Cricut CAD Designing

Building Robotic Cars

Visit our website for the full list!

Exploring the world of STEM should never stop.

Book your child onto our Aveea Academy Sessions online
