'Supporting Children with Anxiety' Workshops to Support Parents on May 15th 2pm-3pm, 5pm-6pm

Dear Parent/Carer

We will be running a **solution-focused workshop** for families that would like more information on 'Supporting Children with Anxiety'. Jennie Craddock, a consultant with Mosaic Psychology, will lead the session. We are extremely lucky as she comes with a wealth of experience and lots of ideas, strategies and resources to share with us all.

Let's take this great opportunity to work together in supporting our children and young people. I look forward to seeing you there!

Yours faithfully

K Manning
