

After School Workshops: Shaping STEM Leaders at Aveea Academy

Aveea Academy launches children into the fascinating world of Science, Technology, Engineering, and Mathematics (STEM).

Fueling curiosity, we craft tomorrow's innovators.

The Aveea Experience

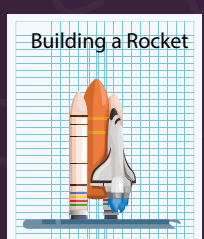

Cutting-Edge Technology:

Engage your child with future-shaping tech.

Expert-Designed Workshops:

Mould lessons for impactful STEM learning.

Beyond the Workshop:

Home resources for continuous STEM learning.

Where & When to Dive Into STEM

Little Hill Primary School

After School Workshops

Key Stage 1 - Tuesday (Mrs Turner)
Key Stage 2 - Monday (Mr Robbins)

Secure Their Future Today

Book Online Now

Start your child's STEM journey with one click. Secure their spot for endless discovery.

Shhh! Inside scoop: Aveea Academy spots fill fast. Don't let your child miss out on this transformative journey.
